

Custom Interconnect Ltd

Training & Careers Open Day Thursday 22nd April 2010

Specifically intended to provide an insight into modern Electronics Manufacturing for local Students. You will learn about career and training opportunities in this exciting industry. CIL is currently recruiting and operates an ongoing apprentice scheme. A morning session will be held for local schools and colleges, and an afternoon session for University Students and Staff.

Register your interest at www.cil-uk.co.uk.
